In the discussion of whether Susanna, the wife of Michael Korns, Sr., could be the daughter of Daniel Boucher and his wife Eva, reference is often made to the suitability of the birth date of Susanna Boucher. The attached 1952 document is an English translation of Berks County, Pennsylvania German language church records that include Susanna Boucher’s birth date.

The translation is in a book or booklet titled “Originally named Bethel locally called the Stone Church known officially as the Greenwich Congregation”.

The translation, from a section titled “Baptisms”, reads “Susanna, daughter of Daniel Bauscher and wife Eva, was born in Albany township, September 28, 1762. Sponsors: Ferdinand Ritter and wofe Susanna in Albany township.”
